Commissioner,

Thank you for the invitation to sponsor Don Hill's party on Tuesday night. I am sure it will be a wonderful event. Our group is not in a position to do anything like this at this time due to the pending zoning case in your District and the upcoming vote on housing tax credits this Wednesday. We fear creating the appearance of a conflict under these circumstances.

Although we regularly support local and state officials who are supportive of affordable housing. We avoid doing so when there are matters pending in the District's they represent. We look forward to the opportunity to support Don in the future. I hope you appreciate the difficult position we are in given the climate at City Hall and opening up our group for criticism by other members of the council. Therefore we must decline any sponsorship at this time.

Thank you,

Bill
